PLUMBING PIPES AND ACCESSORIES

MADE IN TÜRKİYE MADE IN

ABOUT US

Onur Plastik, established in Istanbul in 1999, is a Turkish brand specialized in Plumbing pipes and accessories, focused on production and export.

We manufacture in our 14,000 m² modern factory in Tekirdağ Velimeşe Organized Industrial Zone, using 500+ molds and 500+ different product types. We offer reliable and hygienic plumbing solutions with high-quality raw materials, modern production technologies, and strong quality control processes.

Our products, which have ISO 9001 quality management system, are manufactured in accordance with CE, TSE, DIN and relevant international standards and are offered with warranty of up to 50 years.

Thanks to our strong export structure, we deliver our products to more than 40+ countries in Europe, Africa, the Middle East and Latin America.

Our goal is to become a reliable brand in global markets with our understanding of quality, reliability and sustainable production.
